AZ CORP COMMISSION
DOCUMENT CONTROL

IN THE MATTER OF THE APPLICATION OF
SOUTHLAND SANITATION CO. FOR
DELETION OF A PORTION OF ITS
CERTIFICATE OF CONVENIENCE AND
NECESSITY TO PROVIDE WASTEWATER
SERVICE IN COCHISE COUNTY.

DOCKET NO. SW-02390A-05-0796

PROCEDURAL ORDER

BY THE COMMISSION:

In Decision No. 67987 (July 18, 2005) the Arizona Corporation Commission ("Commission") approved Southland Sanitation Company's ("Southland" or "Company") application to delete a portion of its Certificate of Convenience and Necessity to provide sewer service in Cochise County. As part of the Decision, the Commission directed the Company to keep the Commission informed about its discussions with the City of Sierra Vista to acquire Southland's wastewater facilities. The Commission ordered Southland to file a detailed status report of its discussions with the City or an Application to delete the non-contiguous portion of its Certificate of Convenience and Necessity, if not its entire Certificate, by December 31, 2006.

On December 13, 2006, Southland docketed a letter describing the status of its discussions with the City of Sierra Vista. The Company reports that it has reached agreement for the City to acquire the assets of Southland and anticipates a closing by June 2007. Accordingly, the Company seeks a six-month extension to complete the transaction.

The Company's December 13, 2006 letter complies with the requirements of Decision No. 67987 to file a report on the status of its discussions with the City of Sierra Vista.
